School Messenger

New feature

The District will be making a change to the phone number that displays on parent's caller ID. Instead of displaying Ensign's number, it will now display the number 855-442-2600. So when you see this number on your caller ID, you will know that it is from the District School Messenger. You will be able to hear the last 10 messages that were sent (most recent first).

Valentine Trivia

Hallmark has over 1330 different cards specifically for Valentine's Day.

About 1 billion Valentine's Day cards are exchanged each year. That's the largest seasonal card-sending occasion of the year, next to Christmas.

Only the U.S., Canada, Mexico, France, Australia and the U.K. celebrate Valentine's Day.

In 1537 St. Valentine's Day was declared an official holiday. England's King Henry VIII declared February 14th a holiday.

Faculty Spotlight

Moroni Lealaogata is our SLPD Resource Office. He works with high school and middle school. We are lucky to have him at Ensign. He has been in law enforcement with Salt Lake PD for twelve years. He's a U of U fan...**GO UTES** and routes for the San Francisco 49ers. One of his favorite things about working within the schools is, seeing the smiles on students' faces. Moroni is from Hawaii, he plays the ukulele and volleyball. His favorite color is yellow. He like the book "Who Moved My Cheese?" If you see officer Moroni around our school, give him a fist bump and introduce yourself!

School Community Council

The School Community Council is in the process of preparing the annual School Improvement Plan for the next school year, 2016-2017. We need your input and suggestions for ways in which our School's community can be made better for each child and family. Please take a moment to give us your thoughts and suggestions by going to the School website's community link. Thanks!

Important Announcements

Write Your HEART Out

"Ensign's 2nd Annual Write Your Heart Out evening was held on February 10, 2016. We had a fantastic turnout of parents and students who enjoyed writing activities such as building story trains to musical hearts. Students were proud to show off their amazing writing to their parents. Thanks to Ensign Teachers for their work in organizing this event and the effort they put in to daily writing instruction. Thanks to our wonderful community for participating in this great activity."

Front Foyer

We are noticing students in the front foyer before school. Please be aware of the "YES" and "NO" signs on the doors. If they say "YES" your children can go into the cafeteria and sit quietly. The front foyer should not be used for a waiting area. It needs to be clear for those that need to come into the office and school.
