

Red Leashes and Red Jerseys Join Red Ribbons

Ensign Elementary kicked off Red Ribbon Week with crazy sock day on Thursday and a Read-a-thon on Friday. Students spread throughout the school in pajamas and with pillows, comfortably settled with good books. Football players from West High School added to the fun by pairing up to read with the children. Five dog teams from Intermountain Therapy Animals came and made the day even more exciting. Thank you also to Melanie Rogers and our PTA, and Ms. Hamilton's class who took charge of the event.

When it comes to making good choices, books are a terrific alternative. You can read a book for pleasure, or use books to learn about your favorite subjects. You can also use books to plan a fun trip. Say no to drugs and say yes to books!
